

SUMMARY

Working at two burger restaurants—one as a kitchen helper / cashier and the other as a line cook. As a kitchen helper, I support the team, and ensure smooth operations. As a line cook, I focus on grilling burgers, maintaining food quality, and keeping up with fast-paced service. Both roles have strengthened my leadership, kitchen, and teamwork skills.

EDUCATION

+2 in Computer Science

Kathmandu Bernhardt College • 2019–2021
